

## **Are You Living Your Best Financial Life?**

### **Become Financial Royalty With The Money Queen's Guide**

**Expert Financial Guest:** Cary Carbonaro, Certified Financial Planner (CFP) and author of new financial book **The Money Queen's Guide**.

Early on you should contemplate what your best financial life looks like, then look at what you can control to get there. Consider what you can save, what you spend, when you aim to retire, and the risks you do or don't take. Cary Carbonaro, Certified Financial Planner and author of new financial book **The Money Queen's Guide** is here to help transform your rags to riches by looking at how **accountability** and being **prepared for change** are the keys to your best financial life.

Whether you're just starting to take control of your personal finances or want to reach your ultimate potential, Cary can help you obtain and protect your financial success through your professional career and personal life. Ask Cary for her top tips towards your best financial life today!

As much as women today are motivated to make money, we often do not consider the crucial relationship between what we do today and how it can impact our life tomorrow. **The Money Queen's Guide** is a book written for the woman who has it all, but often struggles with the ability to balance her success with her future needs and goals. **The Money Queen's Guide** will help readers to plan out their financial lives and plan for growth and success, while avoiding the pitfalls that can derail financial security along the way.
